DRAYTON VALLEY, ALBERTA

VOL. II, NO. 22 JUNE 1, 1966 PRICE 10¢

History of District

Centennial Feature

As a Centennial feature The Western Review plans to run regular weekly stories on the pioneers of communities throughout our circulation area. We hope to obtain material to produce stories about the people, their hardships, adventures and triumphs -- homesteaders, loggers, pioneer teachers, doctors, merchants, oilmen and all the rest who played a part in opening this part of the province from the early days of the century to the present.

As you might imagine this will entail a great deal of work and before we even get the project off the ground we need some help. We need many photographs, accounts or diaries of early residents and any other material that might lead to another story.

We already have several photos and one or two accounts of the early days, but we need much more. Anyone who has photos or manuscripts he might loan us is assured that they will be returned undamaged as soon as possible.

We also need to hear from people interested in an undertaking of this nature who could direct us to sources of information throughout the district. From this point we could carry on and obtain our own photos and stories from people still living who came into the country many years ago to establish homes.

We believe a series of this nature running up to and during Canada's Centennial year could help generate enthusiasm for this biggest birthday party in Canada's history. However, as we said earlier, we need help. As a matter of fact the project is tentative until we determine the response from people throughout the area.

If you would like to see such a series -- or if you have any material or information that might help us get started -- please let us know as soon as possible so we can begin making concrete plans.

Cub Rally Held at Weekend

Two hundred and seventy-four cubs took part in the annual Pembina District Cub Rally held at the Evansburg Provincial Park last Saturday afternoon.

Boys present came from Drayton Valley, Whitecourt, Greencourt, Sangudo, Mayerthorpe, Cynthia, Lodgepole, Pembina Valley (Evansburg and Entwistle) and especially welcome, a visiting pack from St. Paul. Along with the cubs were 19 uniformed leaders, 29 Scouts assisting and 36 parents and visitors.

The rally was the largest ever held in the district and very successful.

Ten competitive events highlighted the afternoon with the Mayerthorpe Pack winning the plaque donated by the Whitecourt Branch of the Canadian Legion. The plaque is awarded to the pack judged over-all best in point-scoring during the rally.

Parents were put to work as judges of the various events while cub mothers from throughout the district took on the formidable task of feeding the boys. The mothers were generous in their praise of the four Scouts from Drayton Valley who assisted them in the kitchen.

Four other Scouts from Drayton Valley also attended and assisted. The river patrol was maintained by Scouts from Evansburg.

The rally concluded with a sing-song and entertainment provided by the members of packs in attendance.

Centennial Project Approval Received

Approval has been received from the federal and provincial Centennial Committees on the application of Drayton Valley for the construction of the Centennial Civic Centre.

Bids are presently being called for construction and will close on June 10th. It is hoped to start the project immediately after the acceptance of a successful bid. A sod-turning ceremony is planned to get the work underway.

Plans and specifications may be examined at the Drayton Valley Town Office, the Edmonton Builders' Exchange and at the offices of Corbield Engineering, Edmonton. The Centennial Committee has expressed the hope that local firms will examine the plans with a view to placing bids either for the main contract or sub-trade contracts.

Former Resident Receives Degree

Mrs. Gayle Ward, daughter of Mr. and Mrs. T. McManus of Drayton Valley, was among those taking part in the June 1st Convocation at the University of Alberta.

Mrs. Ward, who received her high school education in Drayton Valley, received her Bachelor of Education degree with a Home Economics major. Her husband, Lyle Ward, also took part in the graduation ceremony, receiving his Master of Science degree in Civil Engineering.

FIVE TEAMS IN PEE-WEE LEAGUE

Five teams are playing this spring in the Drayton Valley PeeWee League. The teams are: the Bluejays; coached by Rene Coutu; the Dodgers, coached by Harold Reinhart and Gordon Tucker; the Shamrocks, coached by Wes Hullick and Nick Labossiere; the Astros, coached by Vic Weishaar; and the Falcons, coached by Palmer Mohn.

The schedule for next week is as follows:

June 1st - 5:00 p.m. at the F.M.H.S. diamond - Dodgers vs. Falcons; at 6:00 p.m. at the Legion diamond - Shamrocks vs. Bluejays.

June 2nd - 6:00 p.m. at the Legion diamond - Falcons vs. Astros; at 5:00 p.m. at the Lions Park diamond - Dodgers vs. Bluejays;

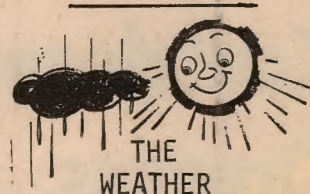

June 6th - 6:00 p.m. at the Legion diamond - Astros vs. Bluejays.

June 7th - 6:00 p.m. at the Lions Park - Shamrocks vs. Dodgers. at 6:00 p.m. at the F.M.H.S. diamond, - Bluejays vs. Falcons.

June 8th - 6:00 p.m. at the Legion diamond - Dodgers vs. Astros; 5:00 p.m. at the F.M.H.S. diamond - Shamrocks vs. Falcons.

F.U.A. WORK BEE AT PICNIC SITE

There will be a work bee on the F.U.A. picnic grounds at the Pembina River on Monday, June 6th. Members are asked to meet at the Elk's Hall at 9:00 a.m.

Expect Early Start on Tennis Club Courts

Members of the Drayton Valley Tennis Club have decided in favor of asphalt courts and construction is expected to start in a few days. It is hoped to have the courts ready for play within three weeks.

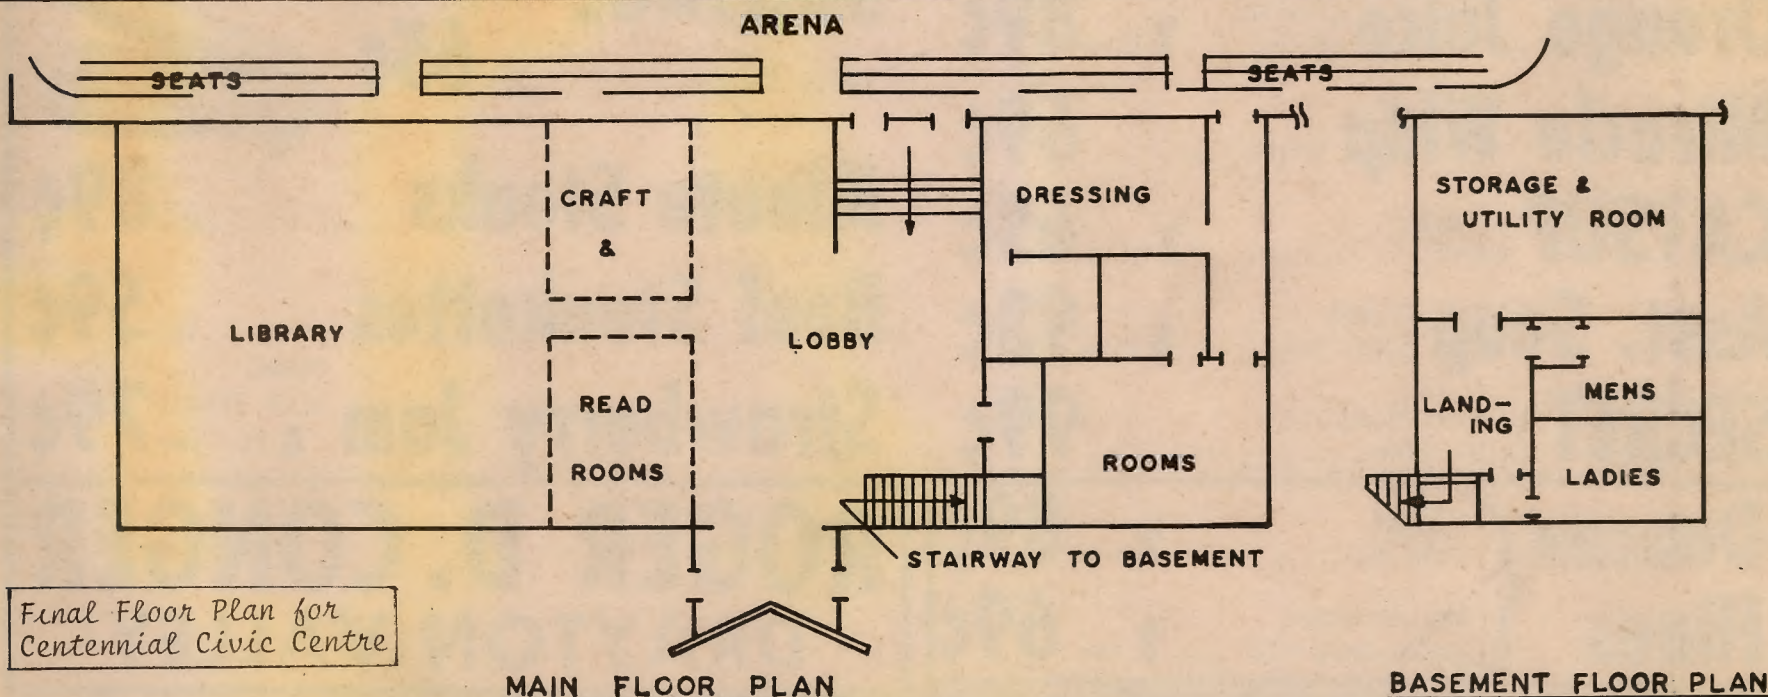

The two courts will be constructed on the site next to the Scout Hall at a total cost of \$2500. The town has agreed to help the club in preparing the site.

At the present time the club has a membership of 17

families and 36 singles. Anyone else interested is invited to join the club. Membership fees are: family, \$15; senior single, \$10 and junior single \$5.00.

As an early undertaking the club will hold a beginner's clinic soon after the courts open - date to be announced later.

President of the club is Stu Lunan, Secretary-treasurer is Ian Brynd and Director, Bruce Boles.

Movie Tells Story Of River Race

The story of the Rocky Mountain House to Edmonton canoe race - the Alberta Whitewater Canoe Race - is the subject of a movie to be shown in the Cardium Theatre in Drayton Valley on June 9th 10th and 11th at 7:30 and 9:30 p.m.

The movie is the actual color and sound story of a group of enthusiastic young canoeists and their troubles and hardships encountered in riding the turbulent North Saskatchewan River swollen by heavy rains to flood condition for last year's race.

Scenes in the film show activities surrounding the race in the communities of Rocky Mountain House, Drayton Valley, Devon and Edmonton.

The race is now expected to be repeated annually with the Labatt's Challenge Trophy to be awarded the winner.

When starting on ice, deep snow or mud, apply power very slowly. A sudden application of power will cause wheels to slip and lose their traction. If stuck in a snow-covered rut, clear a track two or three feet ahead and behind each wheel, sand the track behind the rear wheels.

Bushy Faces In Style

Last Thursday, Council in their end of the month meeting passed a pseudo bylaw requiring that all males capable of growing a beard, grow one or avail themselves of a permit to shave for the fee of one dollar. They handed the enforcing and handling of the legislation back to the Chamber of Commerce as they feel the shenanigans of the Klondike Kampers' Carnival days are the responsibility of that organization.

All beard growing aspirants are asked to register with Bill Johanneson at the Town Office and the same for those wishing shaving permits.

DRAYTON VALLEY

Men's Fastball Schedule

Games scheduled in the Drayton Valley Men's Softball League for the following week are:

June 1st at St. Anthony's diamond, Lutheran Church vs. Pembina Pipeline.

June 2nd at St. Anthony's diamond, Pembina Meter vs. Pan American and at the Jr. High diamond Businessmen vs Catholic Church.

June 6th, St. Anthony's diamond it is Pan American vs. the Lutheran Church and at the Jr. High diamond, Pembina Pipeline vs. the Businessmen.

June 7th at the St. Anthony's diamond, Catholic Church vs. Pembina Meter.

June 8th at Jr. High diamond Pan American vs. the Businessmen.

NOTE: All league games start at 6:30 p.m.

The first team named in each case will be the home team and will supply the necessary balls for the game.

All games must be reported to the registrar at the recreation office within 24 hours of completion. These reports must be accompanied by the score sheets. These will be kept on file in the recreation office. League standings will be tabulated daily and published weekly in The Western Review.

All games shall be seven innings. No extra innings will be played in case of a tie. In tabulating league standings two points will be credited to a team for a win and one

point for a tie.

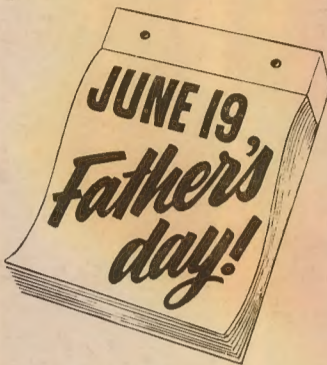

In case of rained out games or any event that necessitates a change in the schedule, re-scheduling of the game will be by common agreement of the teams involved. It is not necessary to contact a league official to implement such changes in the schedule.

It is important however, that all games played be officially reported to the registrar. It is also important that the schedule be completed by July 5th if possible.

A silver collection will be taken at each game to defray expenses of operation.

The league executive consists of Bob Mayhew, president; Glen Hansen, vice-president; Peter Van Marion, secretary-treasurer; Michael J. Gormley, registrar. Directors are: Adam Andruschak, Ted Schuman and Harold Reinhart.

Switching tires from one position to another on the car prolongs tire life. Tire switching saves tires by equalizing wear and "exercising" the spare. By

switching your tires every 5,000 miles and using the spare you can drive 25,000

miles and put only 20,000 miles of wear on each of the tires.

Seagram Appointment

R. E. "Ted" TULLY

The appointment of R. E. "Ted" Tully, of Edmonton, as special Representative for Joseph E. Seagram & Sons Ltd. in Northern Alberta, is announced by C. D. Wilson, Vice-President, Marketing, of the Western Division of The House of Seagram.

Mr. Tully is a former member of the Edmonton Eskimos Football Club and is well known in the capital city business community.

Mr. Tully will reside in Edmonton and represent the Seagram company in Northern Alberta from Red Deer to the Yukon border.

He recently assumed his position after an extensive course involving all aspects of the distilling industry.

A GENERAL MOTORS VALUE

Pontiac Parisienne Custom Sport Convertible with Sports Option

The only thing that says "low price" about Pontiac is its price tag... and that's removable.

It would be easy for a guy like you to get excited about a new Parisienne convertible, wouldn't it. Breezy, full-sized styling. Rich interiors. The car has success written all over it. Sure, you'd like to own a Pontiac. But if you're like a lot of people we know, you maybe figure that Pontiac is just too good to be true. You figure it costs a lot of money. Of course we can tell you all kinds of nice things about Pontiac; how well it's built, how much you deserve one, but the nicer we make the car sound, the more expensive you think it is. The only way we can get around this is to invite you in to have a look at the price tag. It's maybe not quite as colorful as the car, but it's liable to turn you

on just the same. People forget (and who can blame them), but Pontiac is not an expensive car! And that's not just talk. We can offer you the kind of a deal that could put you behind the wheel of your own new Pontiac this week. A guy like you could really go places in a Pontiac. If there's any better way to get there, we can't think of it. And an easier way, we're sure there isn't. So drop in and get acquainted with all our price tags. You'll know us right away. Just look for one of the names listed below. Be seeing you.

CANADA'S CENTURY

A news background special on the Centennial of Confederation

Child Of Political Expediency

(Fourth Of A Series)

By WALT McDAYTER

Canada was born of many needs, but was spawned by political expediency.

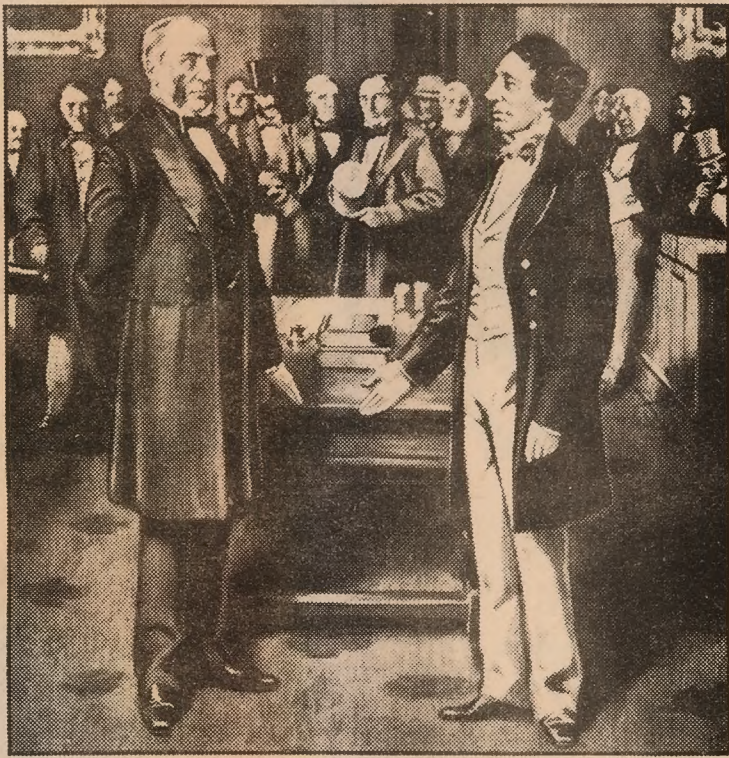

From the very beginning the politicians of Canada East and Canada West — today's Quebec and Ontario — showed more enthusiasm towards Confederation than those from the other British North American colonies.

They took the initiative in trying to create a new nation because they knew union offered them the only possible avenue of escape from a deadlock that had been plaguing their politics for four years.

Between 1861 and 1864, there had been no less than four changes of ministries in the two Canadas, and the politicians were becoming exhausted from playing this Parliamentary musical chairs. They felt that the only hope of any party gaining a majority of support in the government was through the creation of a national political structure. This would change the makeup of voters and representatives, and one party might then be able to command enough seats to govern efficiently.

With this in view, in 1864 the Liberal-Conservative Party, led by John A. Macdonald, and the Liberals, headed by George Brown, agreed to form a coalition government. This coalition's ultimate objective was to create a union of all British North America.

Brown approached this coalition with great misgivings, and these soon proved all too justified! In the negotiations prior to Confederation, in Charlottetown, Quebec, and London,

— Imperial Oil Collection
Arch-enemies John A. Macdonald, right, and George Brown agree to form a coalition government in the two Canadas, 1864.

Macdonald assumed leadership, and Brown was more and more pushed into the shadows of obscurity.

It took the politicians of Canada East and West three years to convince two other colonies of the advantages of nationhood, and to weld the idea of federation into a reality. On March 29, 1867, the British Parliament passed the British North America Act, which united four provinces — Ontario, Quebec, New Brunswick and Nova Scotia — into the Dominion of Canada.

Canada officially became a nation on July 1, but the first national election was not held until August. And as the election results were slowly gathered, politicians from Ontario and Quebec wondered: would one of the parties gain the majority of seats needed to conduct the new nation's government?

On November 7, 1867, Canada's first federal Parliament

met at Ottawa. Macdonald's coalition party had won a decisive victory, although anti-Confederates in Nova Scotia, led by Joseph Howe, had almost completely captured that province.

George Brown, who had in 1864 agreed to coalition with Macdonald for the good of the country, was defeated in the first election held in the nation he had helped create. He would never run for office again.

One of the main motivations for Confederation was to establish a stable government. Under Macdonald this was achieved. He remained prime minister throughout Canada's formative years, ousted only once, in 1873, because of the Pacific Scandal. However, in the very next election, 1878, his hands once more held the reins of power, and he never again loosened his grip until he died, in 1891.

Hail Reports To be Issued For Summer

This is the first of a series of news reports which will be issued weekly by the Alberta Hail Studies project from now until the end of the 1966 hail season. These reports are intended to keep the farmers, and others, concerned with the hail problem in central Alberta up-to-date on the latest research developments.

During the coming weeks information will be given on the work and aims of the Alberta Hail Studies project, and the latest research work and hail suppression experiments around the world. Also the previous week's hail activity (if any) will be reviewed.

The Alberta Hail Studies project was set up ten years ago with the initial aim that of investigating the causes and behavior of hailstorms in cen-

tral Alberta. The area under study covers over 22,000 square miles extending from Leduc South to High River and from the foothills East to a Viking-Hanna line. Reporting kits containing information on the project, hail report cards and instruc-

tions on tilling them in have now been mailed to nearly 25,000 farmers living in this area. These farmers act as voluntary observers in one of the largest reporting networks of its kind in the world, and are an essential part of the project.

Over 4,500 Young People Engaged in Beef Projects

A total of 4,664 teenage rural young people are now carrying 4-H beef projects in 253 beef clubs, scattered throughout Alberta.

According to C.L. Usher, provincial Supervisor of 4-H Clubs, this figure, representing an increase of nearly 400 members compared to the number in 1965, is an all time high for Alberta.

Three 4-H projects are offered in each beef club; they are a single animal, a pen of three to five animals, and a

breeding project. Members enrolle in these projects in the fall and carry them through until the following June or July when the season's work is culminated by an achievement day and sale.

This summer 4-H beef club members will be exhibiting over 5,000 animals which they have personally fed and looked after during the last seven months. All animals except those in the breeding project will be offered for sale after the show.

MOON LAKE NEWS

Mrs Barabara Schenk,
Correspondent

Best wishes are extended to Marhanne Pollard and her hubby for a long and happy married life.

Where there's a heap big smoke there is usually fire, around this country lately at least. Everybody seems to be burning something these days. Joe Burki accidentally set fire to the grass while attending to his bees. He lost all his bees and hives but managed to save the machine shed. A power pole caught fire while Harry Wall was back firing.

Luckily a barrel of water was close and it was soon put out.

Get well wishes go to Laura Tufti who is in hospital at Drayton Valley with pneumonia. That old flu bug again.

My daughter Faye Pashko is also in hospital with a new baby girl born May 20th.

MILLBANK F.U.A. MEETING PLANNED

All members are asked to turn out for a special meeting to be held on Saturday, June 4th at 8:30 p.m. If no one shows up for this meeting we will not be able to participate in the District 5 picnic. Come on members, lets show a little interest.

TOWN OF DRAYTON VALLEY

TENDERS

CENTENNIAL ARENA AND RECREATION CENTRE

SEALED TENDERS, subject to conditions named herein, will be received on June 10, 1966, until 4:00 p.m. M.S.T. at the Drayton Valley Town Hall, for the construction of the CENTENNIAL ARENA AND RECREATION CENTRE.

General Contractors, Mechanical and Electrical sub-contractors, may obtain copies of the plans, specifications and tender documents from the office of Corrbild Engineering Co. Ltd. and the Drayton Valley Town Hall, from May 30th, 1966 on, upon a deposit of \$100.00. The deposit will be refunded at the return of the plans and specifications not later than six days after closing date of tender, complete and in good order.

Plans and specifications are on display at the Edmonton Builders Exchange and at the Drayton Valley Town Hall.

Each tender must be accompanied by a Surety in the form of bond or certified cheque, payable to the Town of Drayton Valley as called for in the "Instructions to Bidders" section of the specifications.

The Owner reserves the right to reject any or all tenders and the lowest tender will not necessarily be accepted.

W.G. Johanneson,
Secretary-Treasurer,
Town of Drayton Valley.

Corrbild Engineering Co. Ltd.
9130 Jasper Avenue
Edmonton, Alberta
Tel. 422-0506

A cordial invitation is extended to the public to attend this year's achievement days and sales, and to see, first

hand, the work these young people in 4-H have been doing.

A complete list of achieve-

ment days and sales is available from district agriculturists offices throughout the provinces.

Beaver Raising Not Recommended

R. W. Gillies, Supervisor of Fur Farms with the Alberta Department of Agriculture, says anyone in this province who is considering raising beaver in captivity might be wise to leave the headaches and frustrations to somebody else.

He was referring to a report received from the Fur Section of the Federal Department of Agriculture in Ottawa stating that a promotional scheme is afoot to sell ranch-raised beaver in Canada.

According to Mr. Gillies, beaver have been traditionally hard to raise in captivity, and many failures have been recorded during the last 40 years. Although beaver pelt prices are very strong at the present time, Mr. Gillies points out that the number of wild beaver being trapped

appears sufficient to meet the trade's demand for this valuable fur.

It is important to note that under the Fur Farm Act, nobody is allowed to raise beaver in Alberta without first obtaining a permit from the Game Branch.

If you must cry over spilled milk condense it.

School Board Regular Meeting

Regular meeting of the board of the Stony Plain School Division No. 23 was held in the Divisional Office in Stony Plain on May 10th. It was moved and carried that all bus operators be advised that all existing bus contracts will be terminated on June 30th, 1966 and that effective September 1st, 1966 all bus operators will be paid according to the following schedule, all other previous terms and conditions to remain the same:

A.	Bus Capacity	24	30	36	42	48	54	60 & over
	Basic Rate,							
	Up to 50 Miles	\$18	\$19	\$20	\$22	\$23	\$24	\$25
	51 Miles to 100							
	Rate per Mile	.21	.22	.23	.25	.27	.29	.29
	Over 100 Miles							
	Rate per Mile	.12	.13	.14	.16	.18	.20	.20
B.	Deduct 2¢ per day for every mile travelled on hard surface roads,							

SCHOOL BOARD BRIEFS

Mr. D.E. Humphreys, principal of the Drayton Valley Junior High School will be sponsored for the Principal's Leadership Course this summer.

Mr. Hannochko reported to the Board on the testing program presently being carried out in the Division. This program is conducted by Mr. F.P. Flanagan and will take about 30 days.

Fire Inspection reports on the Seba Beach and Drayton Valley Schools containing various recommendations were received from the Fire Commissioner's office. The secretary was instructed to refer these recommendations to Mr. Felix Knor for immediate implementation.

The following applications for the Mike Romano bus route were received: Henry Schlecker, Stony Plain; Edward Glubish, Stony Plain; Western School Bus Sales, Edmonton; Werner Albrecht, Stony Plain; and Fred Trueman, Stony Plain. Fred Trueman's application was accepted with contract to commence June 1st, 1966.

It was moved and carried that the quotation of Cross Alta Boiler Services Company for Boiler Service for the sum of \$1,489.75 for one year be accepted with the contract to become effective on August 1, 1966.

It was moved and carried that Rev. J. Ayling of Evansburg be authorized to hold church services in the Seba Beach Gym during June and July on the condition that satisfactory arrangements be made with the caretaker.

Wood & Gardener, Architects, came to see the Board regarding the proposed Entwistle addition. Sketch plans were viewed and carefully studied and it was moved and carried that Wood & Gardener be instructed to proceed with plans and specifications for

the proposed Entwistle addition. Total cost of the project is \$152,324.

STUDENTS UNION EXPRESSES THANKS

The Frank Maddock High School Students Union wish to thank all who patronized their Bingo and especially to Mr. E. Lindskoog and Mr. P. Berzniuk for calling; the Elks and The Bay for donations and all parents who helped.

The better a woman looks, the longer a man does.

Swimming Pool

Weather for swimming has been quite favorable but who knows what tomorrow will bring. No matter -- the water temperature is 82°F. The record attendance this year so far was 638 which is very good considering the fact that school is still in session and swim lessons haven't begun yet.

On Monday, May 30th from 1:00 to 2:00 p.m. swim lessons for tiny tots and a parent began. The instructor is Sharon Phelan. Adult beginners swim classes from 1:00 to 2:00 p.m. and 9:00 - 10:00 p.m. also began on Monday. Both of these classes are small and open to any other applicants. Instructors will be Ken Mickey and Sharon Phelan respectively.

Neptune has started again with most of the old swimmers back and some new ones. The coaching staff consists of Mr. and Mrs. Fred DeGeest, Mr. and Mrs. Vic Timmins and Ken Mickey.

Registration for lessons during July and August are filling up rapidly. Anyone wishing information about

this should do so very soon by coming to the pool.

The expert driver keeps at least one car length between

him and the car ahead for each 10 miles per hour. He allows even more space at high speeds, on slippery pavement and after dark.

D. V. Highlights

BY MRS. EDITH DEBY

Friends of Mr. Sid Mitchell were shocked to learn of his death last Friday. He and Mrs. Mitchell were visiting at his parents home in Victoria at the time. It is twelve years ago this summer since the Mitchells came to live in Drayton Valley where Mr. Mitchell had a position with the newly organized Pembina Pipe Co. During the twelve years of his residence here Mr. Mitchell has been a driving force for anything that was for the betterment of this community. He has held several executive positions in the Rotary Club, including that of president. Besides his wife Mr. Mitchell leaves two daughters, Marilyn (Mrs. Henry) and Adele (Mrs. Mohn). Our deepest sympathy is extended to Mrs. Mitchell and her girls at this time.

Mr. and Mrs. Bruno Laub, of Creston were in Drayton Valley for a short visit over the weekend.

Reverend and Mrs. Strachan will leave at the end of June for Winnipeg where Mr. Strachan will take charge of a large city church. Our loss is Winnipeg's gain and our best wishes go with the Strachans.

Miss Marcella Dixon was the guest of Miss JoAnn McLean on the graduation weekend. The Dixons now live in Calgary but Marcella, who would have been in the graduating class here this year, was in Grade I when her parents first came here.

Mrs. Barney Johnson entertained with a kitchen shower for Miss Arlene Lilje on Thursday of last week. Mrs. Peter Van Maarion and Mrs. Roy Sired assisted the hostess. Miss Lilje is marrying Mr.

Thomas Mykyte of Whitecourt on June 4th.

Mrs. Emma Hill has returned to her home. After a winter spent with her son-in-law and daughter, Mr. and Mrs. Archie Tone, near Camrose.

Mr. Charles Alton of the United Church, is holding services in the Farm Union Hall at Pembina.

Mr. and Mrs. Henry Dunington, Mr. and Mrs. Duane Kehl and Mr. William Dunington are planning to attend the wedding of the Dunington grandson, Mr. Robert Tritschler, in Burnaby on June 11th.

When Mr. and Mrs. Braden leave for their new home in Lloydminster Drayton Valley will lose a very public spirited and hard working town booster. In the five years since Mr. Braden came to manage the newly opened Treasury Branch he has given most generously of his time and energy to many town projects.

Mr. and Mrs. Bill Kuzio recently moved into their fine new home which they purchased from Mr. Budd Wiseman. Recent visitors to the Kuzio home included Mrs. Marie Kuzio and Mr. and Mrs. Fred Kuzio and son, all of Thorsby; Mr. and Mrs. John Kuzio and Peggy of Sunnybrook; Mr. and Mrs. Maynard Erickson and Mr. and Mrs. Oscar Westlund and Vern of Edmonton.

Seat belts should always be fastened whether driving on the highway or in town. A seat belt can do no good when it lies unfastened on the seat.

Water Skiing

WITH CLINT WARD

Children should become acclimatized to water skiing at an early age.

Start Them Young: As in most sports, the younger a person starts the easier will be the learning process. I have heard of youngsters four and five learning to water ski; but they are exceptions. I would prefer starting children out during the ages eight to twelve.

Swimming Must Come First: It is unwise to attempt water ski instructions before a child is a confident swimmer. Even without the obvious safety factor, confidence about swimming guarantees there will be no fear of the water.

There Is Still A Place For Young Children: When water skiing is a family activity there is often a desire to involve young children. There is nothing wrong with this for they can ride in the boat and help with the towline. Don't forget young children should wear a lifejacket at all times.

BERRYMOOR NEWS

Mrs. Bea Cropley,
Correspondent

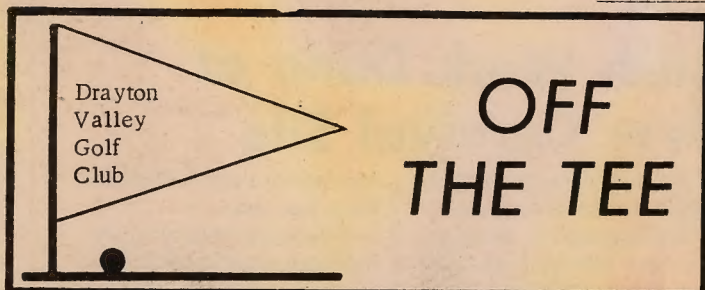

The Lindahl yard looked like a parking lot on Sunday afternoon, May 22nd. Cars seemed to be tucked into every available space. The house was full of people, some spilled over into the basement. Folks came from Edmonton, Warburg, Breton, Lindale, Carnwood and Berrymoor to help Charlie and Doris celebrate their 25th wedding anniversary. The coffee urn had to be re-filled more than once and a table kept loaded with goodies. The happy couple received some beautiful gifts.

The sports day and pot luck supper sponsored by the Lindale P.T.A. was well supported. Over two hundred people attended.

We were interested to hear that we have a new family in the district. They have moved into the house on John Johnston's farm recently vacated by Clifford Johnston and family who have moved to B.C.

Russel Gilchrist has his house moved over onto the basement.

Colleen Lawson celebrated her sixteenth birthday on Sunday by inviting about twenty-five friends for an outing at the mouth of the Buck Creek. Max Schwartz was the only one lucky enough to catch a fish. After a wiener roast the young folks played ball. Colleen received some nice gifts.

OFF THE TEE

Last Saturday saw the first tournament of the season for Drayton Valley as sixty-eight golfers took part in the second annual Esso Club Tournament.

Rex Burrows, who only a week earlier walked off with the Championship Trophy at the Evansburg Open, proved tough for all challengers on Saturday, as he took top honour in the Championship Flight.

The ladies too, took part in this tournament, and "Granny" Waugh, who at 74 years of age, left her more youthful competitors behind as she copped the Ladies Flight. For a long time now the public has been misled as to who was the golfer in the Clan Waugh -- now we know.

The Esso Tournament in its second year has become one of the most popular among the local golfers. The employees of Imperial Oil deserve credit for the fine way in which this tournament was handled.

This coming Sunday, June 5th, is the date of the Drayton Valley Open Tournament and Barbeque. Golfers can enter at Rex's Radio and TV, or by phoning Tournament Chairman, Bill Guild at 542-4158. Already 42 entries have been received, so anyone planning on entering should do so now as only 64 golfers can be accommodated.

Approximately 35 members supported their Club at the work party held two weeks ago, and to give the remaining 65 members a chance at doing their share a small amount of work was left undone. If your one of the 65 who is anxious to help out, contact Roy Sired and he'll be more than pleased to find a small job for you.

Esso Club Tournament - Winners List. 1st Flight (championship) - Rex Burrows, Jim Easton, runner up and Ken Gillis, Consolation. 2nd Flight - Stan Metelski, Howie Janzen, Runner up and Ken Ewoniak, consolation. 3rd Flight - Joe Balen, Richard Millican, runner up and Lloyd MacLean, consolation. 4th Flight - Jim Bolianatz, Stan Luchak, runner up and Ken Helander, consolation. 5th Flight - Richard Septela, Bill Cochran, runner up and Clarence Anderson, consolation. 6th Flight - Bruce Cunningham Joe Byciuk, runner up and Stan Riauka, consolation. 7th Flight - Howard Cathrea, Fred Neil, runner up and Joe Gro-leau, consolation. 8th Flight - Myran Haluska, Herb Gable, runner up and Fred Penkosky, consolation. Ladies Flight, "Granny" Waugh, Dorothy Burrows, runner up and Betty Waugh, consolation.

Tomahawk News

Joyce Jouan
Correspondent

On May 27th a Senior Prom was held in the honour of the graduates of Seba Beach High School. A dance was held from 10:00 to 2:00 p.m. Presentations were made by the principal, Mr. Melnachuk, at 11:30 p.m. Lunch followed.

Mr. and Mrs. Howard Gilbert moved into their new home on Saturday, May 28th. Elaine Jouan, from the Tomahawk 4-H Clothing Club won a trip to British Columbia in the 4-H Inter-provincial exchange.

Emily Duckett will be the club delegate for a week at Olds.

A report from GM of Canada states that it costs about 50 per cent more to drive at 80 miles an hour than at 50.

EVANSBURG NEWS

Mrs. Bruner, Correspondent

Well I got my garden in at last and it was warm enough outside to feel comfortable so summer must be here.

It was not here on the long weekend though, when the Boy Scouts had their camporee here. The boys seemed to have enjoyed themselves in spite of the extremely cool and blustery weather. Some 78 boys were camped on the Tuke farm for two days. One group came all the way from St. Paul on an exchange basis. Boys came from Drayton, Whitecourt, Sangudo and Lodgepole as well as the boys from here. Eight of the boys from the 1st Pembina Valley Troop attended the camp and, considering they were very new at this sort of thing, they did right well for themselves. The Eagle patrol won a first for ropemaking, a second for signalling and thirds for patrol spirit, compass and estimations. The Beaver patrol won a first for patrol spirit. We can be justly proud of our boys and their leaders who have worked so hard.

The Volunteer Firemen held their annual bingo last Friday. Although a list of the winners is not available the following merchants and business places are given sincere thanks from the community for their donations toward bingo prizes: Wolff Agencies, \$5.00; Smillies, \$3.00 food hamper; Young's Transport, \$5.00; Ledinski's Store, \$5.00 food hamper; Fire Department, \$5.00; Allen's Inn, \$5.00 voucher; Don's Service, 5 qts. oil and filter; Turtle's Store, barbeque set; Wolff's Store, fishing rod; Dairy Pool, 10 lbs. butter; Hotel, \$5.00; Anna's Cafe, \$5.00 voucher; Corkery Drugs, perfume; Royallite, \$7.00 voucher; B.A., \$7.00 voucher; Beauty Salon, \$7.50 permanent; Super Foods, \$7.00 voucher; Fausak's, \$5.00 voucher; Macleods, rear view power mirror; Calgary Power, electric car warmer; Corkery Drugs, alarm clock; and the Fire Department, \$5.00. Thanks everyone.

Mike Mazeppa and the boys are batching it these days as Mrs. Mazeppa has gone to Holden and then on to Saskatchewan to see her sister who has been hospitalized.

Have noticed the new telephone building is sporting an almost completed look.

Be sure to watch in next

week's news for a report on the Cub Rally which took place last Saturday.

THE ARNOLD Palmer Method

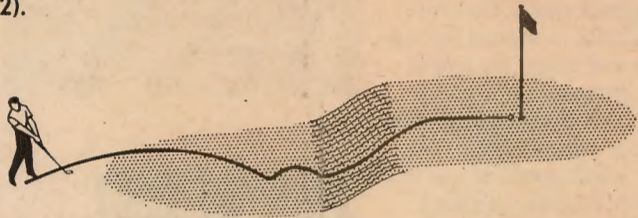

PLAYING SHOTS TO BI-LEVEL GREENS

The success or failure of short approach shots depends considerably on how well the shot is planned. This is especially true when you are playing to a bi-level green: on which the pin has been placed on the upper level.

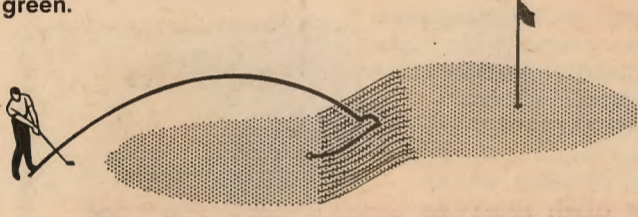

The easiest way to play this shot—if you have sufficient landing space—is to pitch the ball to land on the upper level (No. 1).

If sufficient landing area is not available, it's best to use a less-lofted club and to play short of the bank (No. 2).

I suggest that you avoid playing into the back (No. 3). The shot might land on the sidehill and stop short, or even roll back down the hill. If you carry the bank with a low-flying shot, the ball will probably roll over the green.

CLIP AND SAVE

Auxiliary Plans Supper Meeting

The regular monthly meeting of the D.V. Hospital Auxiliary was held on May 12th, 1966.

A discussion was held about new and different ideas for raising funds for future projects.

It was decided to have supper at the last meeting of the season. This will be at the Cardium Room on June

9th, 1966 at 7:00 p.m.

Nominations were held and the new executive for the next season are: President, Mrs. Peggy McKillop; 1st Vice-president, Mrs. Anna Jones; 2nd Vice-president, Mrs. Valerie Courtney; Recording Secretary, Mrs. Doris Reid; Treasurer, Mrs. Opal Gano; and Corresponding Secretary, Mrs. Ruth Greger.

Expo coincides with the 325th anniversary of the founding of Montreal.

Much Work Done at River Carnival Site

If the co-operation and enthusiasm of the contractors and business men in Drayton Valley and district is an indication, success of the 1966 edition of Klondike Kampsers Karnival is a foregone conclusion, Chamber president, Al Braden said this week.

During the past two weeks, thousands of yards of gravel have been dredged from the Saskatchewan River and spread over the carnival grounds and park site. Cats have cleared large areas to provide for suitable parking accommodation, and the river bank has been raised to prevent a recurrence of the disastrous flood which

took place during Klondike Days last year.

The power scooter track has been rebuilt and many scooter enthusiasts are making excellent use of the track each evening.

The Chamber is greatly

indebted to the following who have donated hundreds of dollars worth of time, expensive equipment, labour and materials: Anchor Construction Ltd.; Brisebois Bros. Contractors; LaTosky Construction and Gravel Ltd.; Knight Service, B.A. Bulk Sales; Lloyd Legeas Grader Service; Electrical Contractors; and Braiden-Hay Construction Ltd.

Klondike Dance Plans Progressing

Klondike dancers will be able to step to the sounds of the Al Breault Combo on the 15th and 16th of July during the Klondike Kampsers Karnival. Final arrangements for the Klondike Ball are now almost completed and ticket sales will begin the first part of next week. Klondike fashions will appear in many of the local retail stores very soon.

Plan now to get a group together for an evening of Klondiking either the 15th or 16th of July.

Rangers Attend Camp Meeting

The First Drayton Valley company of Rangers, which numbers about ten girls, attended a meeting of the Alberta Provincial Ranger Council during the long weekend of May 21st to 23rd. The meeting was held at Tangle-trees Girl Guide Camp at Pigeon Lake.

Miss Margaret Hammerlindl of Drayton Valley became an official member of the Council.

The girls had a very good time.

Lions Club Formed At Lodgepole

A new Lions club with 20 charter members was organized at Lodgepole Monday evening. The club is sponsored by the Drayton Valley Club.

About 40 visiting Lions from Edmonton and Drayton Valley were present along with District Governor Ed Hay of Edmonton and Rudy Rippel of

Fort Saskatchewan, special representative of Lions International.

The new club which will receive its official charter on June 27th will meet on the 1st and 3rd Mondays of each month in the Lodgepole Community Hall.

President of the club is Gerald Wiltse and Art Peters, the Secretary-Treasurer.

IN MEMORIAM

In memory of Deborah Sheeler deeply loved and sadly missed. God took our darling girl away To where there's no pain or sorrow.

(He left the pain and heartache For those who loved her dear). Now our hearts are broken-- And tears like rivers flow, For the pain within a Mother's heart

Only a Mother can know And Father's heart is broken, too

(He tries his tears to hide). And sisters, now are parted, And brothers left so sad, Our dreams and hopes have died

Our broken hearts do sigh, Oh, God why did you take our child?

But only the Father in heaven Has the answer to our cry He knew that those she left behind,

Would have hearts that were bursting with grief

That is why - He gave us a promise,

So our hearts would find some relief.

For a small moment have I forsaken thee;

But with great mercies will I gather thee.

These days of sorrow will go, We'll meet again our loved ones,

Oh, then we will surely know Why God has given us this cross That cause us to stumble and cry

He'll let us know, If we trust and wait

The reason He took our darling girl;

Mrs. Sheeler.

Summary of May 26th Town Council Meeting

The Town Council meeting was called to order at 9:05 a.m. on May 26th with seven members present.

The secretary gave a detailed report on the contents of the day's agenda which included information on the proposed meat inspection by-law; approval of the Centennial grants for Drayton Valley project; advice that the heavy water plant is to be sited in a designated depressed area; gravel stock piling program nearly completed; third reading for the litter bylaw; first readings for by-laws no. 365 and 366 authorizing certain additional paving and sidewalk works for the schools; homeowner tax discount legislation information; a request from Chamber of Commerce for legislation requiring growing of beards during period June 1st to July 17th, 1966 to promote the Klondike Kampers' Kamival Festivities; a further request from Chamber of Commerce for authority to erect hitching posts in certain designated sites up town in Drayton Valley and the services of a town pickup and crew to keep these areas cleaned.

A letter from the Calgary Stampede Committee was received by the town inviting the Town's float to be entered in the Stampede Parade. The Council favored having our float fixed up for participation in the Calgary Stampede as well as other town and city fair days.

Mr. S.C. Lunan made a verbal application for use of the skating rink site upon which a tennis court may be constructed. He also requested that the town through the Recreation Board undertake the supplying of gravel and compaction of same for a base to lay pavement on. Council after receiving a recommendation from the recreation board to acquiesce to this request, authorized the compaction of the gravel to the specifications required.

If you should skid, leave the motor engaged and turn the steering wheel in the direction of the skid -- the way the rear of the car swings. Pump your brakes gently but rapidly to stop. To jam on the brakes will often lock the wheels, throwing the car into a dangerous skid.

We Are The Hunters For Head Hunters

Through a working agreement with the HEAD HUNTERS we can save you time and inconvenience on your repair work. We will ship to Edmonton at no extra charge, guaranteeing fast return on all work.
